

IRON MOUNTAIN E-MAIL ARCHIVING. IT'S E-DISCOVERY INSURANCE.

The time to manage your e-mail isn't when the Attorney General is asking you to produce it. Many companies like yours use Iron Mountain's E-mail Data Restoration and Archiving Services to provide fast and easy search, retrieval, and management of e-mails and instant messages. Iron Mountain can help you rapidly respond to regulatory investigations and litigation discovery requests and help you comply with SEC 17a-4 and Sarbanes-Oxley.
